

"A big thank you to Surrey Branch for their hard work in organising the Westminster Garden of Remembrance plot and to Don Mott for his work in organising the NMBVA representation at the Cenotaph Act of Remembrance this year. The newly formed NEC are very grateful to the Branch and members in continuing to support and look after the procedures and applications for this very important event.

The photograph below is of the NMBVA Veterans and representatives taken by Don's son David Mott at this year's Act of Remembrance in Horse Guards."
