- To preserve this place of deep historical interest for the benefit of posterity.
- To provide and preserve historical information / records / (photographs) about the Malayan Emergency (1948 - 1960).

Please help and support this Memorial Project.

The cost of construction is estimated to be in the region of RM\$100,000.00. The little Acre Sub Committee hopes to raise sufficient funds from voluntary donations from their members, other well-wishers and Corporations, so that the monument and the gallery can be built in good time to enable participants and supporters of their next Commemorative Ceremony can make arrangements to visit the 'Historical Site'.
